
XPA1US Extra-Large Fusion® Manual Height Adjustable Cart - LIMITED AVAILABILITY SKU: XPA1US

This mobile Fusion® AV cart incorporates rounded edges and sleek features to give the cart a softer professional feel that fits well in corporate and classroom environments. The height can be adjusted by one person via a 1/2" hex bit on a power drill without removing the screen. With the same footprint as the XPAUB, but with the addition of magnetic covers and handles for ease of use. Perfect for Extra-Large and touch panel displays as well as dual monitor video conferencing using an accessory. Provide aesthetic covering to the rear side of the displays, components and mount using the Chief Fusion® Universal Back Covers. Portrait screen orientation if screen is at least 27" tall and has a 400 x 400mm mounting pattern or smaller
