

On-Wall Cable Management; Holds up to eight cables **SKU: SA304-W1**

SANUS SA304 on-wall cable management features cable clips that can hold up to eight cables for an organized and easy AV installation. Its customizable design allows you to cut and paint, so the SA304 will match your mounted TV setup perfect and give it a finished look. A cable cover snaps on for a secure installation.

- Paint and cut tunnels to match your house
- Perfect addition to a mounted TV
- Conceal unsightly cables
